THE RESTORATION AMENDMENT (statute):

THE POLITICAL PROGRAM FOR PATRIOTS AND INDEPENDENT CANDIDATES

Broadsheet #1 (Introductory) for forwarding & A4 printed colour fliers.

"What does The Restoration Amendment Program do for the 'ordinary' man and woman?"

The answer is short and sweet, summarised as follows:

1. THE RULE OF LAW.

To begin with, the Constitution creates an *equitable* rule of law with a level 'playing field' by making all men and women (including the head of state, government functionaries, judges, personnel and employees) *equal* and *subject* to the same rule of law as everyone else. No one is 'above' the rule of law. The Great Charter explicitly removes 'immunity from prosecution' from those who form or work for our administrative government, rendering them equally liable to be arraigned *cost-free* by single or multiple private plaintiffs at Trial by Jury, for Crime*. To *enforce* this ideal equal rule of law, the 1215 Great Charter defines and prescribes what we now call the Constitutional Common Law Trial by Jury Justice System; or for short, Trial by Jury (proper noun, capitalised), for all causes (lawsuits) civil, criminal and fiscal.

**Definition.* Crime is defined as *any act of injustice committed with malice aforethought; mens rea* (pronounced ray-uh). Any 'act' means not only legislation but also physical acts.

2. SOVEREIGNTY AND ANNULMENT BY JURY.

Magna Carta 1215 (re-)installed **Judicium Parium** "*for all time*," the mechanism of Common Law by which **the Sovereignty of the People** is both theoretically and pragmatically established. That is, the famous *Articles of Common Law* in our Great Charter Constitution recognised the natural and legal Sovereignty of the People. This mechanism, Judicium Parium (pronounced joo-diss-ee-oom), which underpins and defines democracy *sine qua non**, is the Constitutional Common Law Trial by Jury Justice System.

***Hellenic Greece** of the Constitution of government by Trial by Jury received from the Athenians *the defining epithet, Democracy, demokratia*. Etymology, definition; Chapter One, DEMOCRACY DEFINED: *The Manifesto* ISBN 978-1902848280.

According to Legem Terræ Common Law, it is the jurors' duty in Trial by Jury *to judge the justice of the law* and *every* act of enforcement and *acquit any persons accused under an arbitrary, unjust or apocryphal statute, regulation or prosecution*. This procedure is known as **Annulment by Jury***.

*It is sometimes referred to in a linguistically incompetent self-contradiction in terms as 'jury nullification'.

Consider Harlan F. Stone, U.S. Chief Justice 1941-1946, on the Juror's Duty in the authentic Trial by Jury, as follows:

"If a juror feels that the statute involved in any criminal offence is unfair, or that it infringes upon the defendant's natural God-given unalienable or Constitutional rights, then it is his duty to affirm that the offending statute is really no law at all and that the violation of it is no crime at all, for no one is bound to obey an unjust law."

"That juror must vote Not Guilty regardless of the pressures or abuses that may be heaped on him by any or all members of the jury with whom he may in good conscience disagree. He is voting on the justice of the law according to his own conscience and convictions and not someone else's. The law itself is on trial quite as much as the case which is to be decided."

U.S. Chief Justice Harlan F. Stone; Harvard Law Review. (Emphases added.) DEMOCRACY DEFINED: *The Manifesto*.

3. THE ETERNAL CRITERION OF JUSTICE

All societies govern by their Justice System, regardless of time or place, race, culture, religion, background or nationality. The power to punish carries with it ALL power. It remains a universal criterion of justice that *the validity and justice of laws and all acts of their enforcement require to be judged not by those who make and enforce the laws (government), but by those who voluntarily agree to abide by the laws (all adult citizens).*

All men and women who do not uphold this tenet are then promoting unlawful rule by a tyrannical élite. Unwittingly, or for self-advantage, they serve despots, abet tyranny, and are the criminal enemies of freedom and equal justice. For these reasons, the right to Trial by Jury for prosecution and defence is universal, inherent and inalienable. For these same reasons, the slightest attenuation of this right constitutes the crime of High Treason* at Constitution and Common Law. *Free people and nations govern themselves through Trial by Jury.*

*See (X) *Treason*, in **Legal Definitions Unalterable at Common Law, Constituents of Democracy; Chapter Three, DEMOCRACY DEFINED: The Manifesto.**

The Restoration Amendment empowers the People to govern and guide our administrations ('governments') through the supreme sovereign authority of the People to decide their laws and liberties for themselves; this being accomplished by cost-free private prosecutions (Constitution, Articles Thirty-Six and Forty), judgements, verdicts and sentences in due process of Trial by Jury. The timeless, impartial, secular Constitutional Common Law Trial by Jury is the sole legitimate justice system for deciding all causes, comprising the supreme legislature and judiciary of the realm.

4. LIBERTY, EQUAL JUSTICE AND THE POWER TO PUNISH.

The world-respected 1215 Great Charter Constitution Magna Carta ordained that, through Trial by Jury, *the power to punish be removed from government and justices (judges)*; viz. proofs in Common Law Articles 20, 21 and 39. The judicial duty and power to punish and set sentences are restored "in perpetuity" to the **Jurors** who are **the judges**¹ in every cause.

1 Until the Latin-derived word 'juror' was adopted, jurors were actually called the judges, in recognition of their role. "...the judges, for so the jury were called..." See p. 55 of Crabb's History of the English Law, etc.

Government justices may moderate sentences but not increase them; see that function explained in Chapter Four of **DEMOCRACY DEFINED: The Manifesto.**

5. NO PERSONAL TAXATION: THE CONSTITUTION'S FISCAL MEASURES.

Constitutional Common Law economic and fiscal measures proscribe the Common Law Crimes of Usury (recognised by Articles Ten and Eleven) and fraudulent Fractional Reserve Lending; returning to the People through a national government department, the treasury, the duty of issuance of interest-free currency and credit to the economy*; i.e., sovereign national credit aka 'state money', precluding the current taxation to repay interest and capital to private bank-owners for their illegal issuance at usury.

*We refer, for example, to our treasury's three hundred million pound (£300 million) interest-free issuance in 1914, equal to **thirty-three billion, five hundred and sixty-nine million today** (viz. Office for National Statistics composite price index), and similar renowned measures taken previously by Presidents Jefferson, Madison and Jackson, to Lincoln's 'greenbacks', and Franklin's Colonial Scrip⁽¹⁸⁾. See (18) DD: *The Manifesto*.

Politicians today do not represent the people. Elections are a shameful charade. 'Parliamentary privilege' makes politicians immune to the rule of law. They are corruptly, assiduously and continuously executing the misdeeds planned by their behind-the-scenes masters, fulfilling the ambitions for global dictatorship by the international financial-corporate giant. A return to the Constitution's rule of law is Magna Carta's proven, effective peaceful solution to unjust governance. At Common Law, no one is 'above' the Law of the Land, including persons within government; and *all citizens*, whoever they may be and however much wealth they have acquired, are equally liable to commoners' prosecution at Trial by Jury for acts of malice. The Great Charter was itself an act of Restoration which is now required again today; viz. The Restoration Amendment (statute).

FRONT COVER

KENN D'LOUDNEY DEMOCRACY DEFINED: *The Manifesto*

New Edition augmented with an Addendum. Contains extensive Bibliography of authoritative source books and documents on Constitution, law and history. With Index. ISBN 978-1902848280 Softback, 310 large-size (A4) pages

DEMOCRACY DEFINED:

The Manifesto

Kenn d'Oudney focuses on Democracy. The word 'democracy' is widely abused and 'defined' incorrectly. This extensively researched book explains how components of constitutional democracy have been suppressed by malefic statist interventions to produce the modern decline and the Illegality of the Status Quo.

The Manifesto shows how the ideal society is to be achieved.

- HERE ARE SOME REVIEWS OF THE ESSAYS UPON WHICH THIS BOOK IS BASED -

"I think it is certainly true that Keynesian economics, as put into practice, has handed the economic power of the West to a few men who now almost totally control it. Likewise, I agree that the trial by jury is an essential bulwark of democracy and justice against a bankers' tyranny. I congratulate you on disseminating the above points."

His Hon. Patrick S.J. Carmack, Esq. Producer of The Money Masters video documentary.

"Thank you for your excellent work on Magna Carta. What a masterly exposition."

Major John Gouriet, Chairman, Defenders of the Realm; Battle for Britain Campaign supported by H.G. the Duke of Wellington; Edward Fox, OBE, and Frederick Forsyth, CBE.

"What a magnificent article! I intend to incorporate parts of it into speeches and writings."

Professor Julian Heicklen, Jury Rights Activist; U.S. National Coordinator, Tyranny Fighters.

"Superb. Should be read in every law school."

John Walsh, Esq., Barrister-at-Law, Author; Constitutional lawyer (U.S. & Australia).

Kenn d'Oudney is the author of books and essays including the following:

Kenn d'Oudney est auteur de livres et essais y compris les suivants:

Kenn d'Oudney ist Autor von Büchern und Essays einschließlich der folgenden:

DEMOCRACY DEFINED: The Manifesto ISBN 978-1902848280

A Treatise for the Democracy Defined Restoration Campaign by Kenn d'Oudney. Augmented third edition with ADDENDUM, extensive BIBLIOGRAPHY and INDEX. Softback, 310 large-size (A4) pages.

The word 'democracy' is widely abused and 'defined' incorrectly. This extensively researched book explains how components of Constitutional Democracy have been suppressed by malefic statist interventions to produce the modern decline and the Illegality of the Status Quo. It sheds light on how democracy involves a variety of far-reaching issues, including political assassinations; the Ætiology of Anti-Semitism; fraudulent fractional reserve lending banking practices; and the national issuance of interest-free currency and credit.

The historical, legal and constitutional facts and quotations in this book establish the perennially subject and liable status of executive, legislature and judiciary to universal, timeless secular moral and legal tenets of Equity, and to cost-free private prosecutions at Constitutional Common Law Trial by Jury (Article Sixty-One). Exposes the fallacies of "constitutional" statutes, groups and individuals. Indispensable reading for anyone who wishes to uphold the West's endangered, cherished heritage of Liberty and Equal Justice.

DEMOCRACY DEFINED: *The Manifesto* reveals the theoretical and practical framework upon which the ideal human society is to be achieved: the best of all possible worlds.

- REVIEWS OF THE ESSAYS UPON WHICH THIS BOOK IS BASED -

"Thank you for your excellent work on Magna Carta. What a masterly exposition."

MAJOR JOHN GOURIET, Chairman, Defenders of the Realm; Battle for Britain Campaign supported by H.G. the Duke of Wellington; Edward Fox, OBE, and Frederick Forsyth, CBE.

"I think it is certainly true that Keynesian economics, as put into practice, has handed the economic power of the West to a few men who now almost totally control it. Likewise, I agree that the trial by jury is an essential bulwark of democracy and justice against a bankers' tyranny. I congratulate you on disseminating the above points."

HIS HON. PATRICK S.J. CARMACK, Esq. Producer, The Money Masters video documentary.

"The d'Oudney analysis is as insightful as it is comprehensive. It will stand for years to come as the definitive critique of the European Constitution prepared by Giscard d'Estaing and others. I look forward to sharing the d'Oudney analysis with my colleagues."

HOWARD PHILLIPS, Founder, U.S. Constitution Party, three-time Presidential nominee; Chairman of the Conservative Caucus.

"Superb. Should be read in every law school."

JOHN WALSH, Esq., Barrister-at-Law, Author; Constitutional lawyer (U.S. & Australia).

"What a magnificent article! (Madison and Democracy) I intend to incorporate parts of it into my speeches and writings."

PROFESSOR JULIAN HEICKLEN, Jury Rights Activist, National Coordinator, Tyranny Fighters.

"Kenn d'Oudney is a brilliant writer and researcher when it comes to Democracy and Trial by Jury. The best source of common law is Kenn d'Oudney."

DR. JOHN WILSON, Jury Rights Activist; Co-Founder & Chairman, Australian Common Law Party.

"Thanks, Kenn. I've circulated this."

SIMON RICHARDS, Campaign Director; The Freedom Association; Founded by John Gouriety; the Viscount de L'Isle, VC, KG, PC; Ross McWhirter and Norris McWhirter, CBE.

- MORE REVIEWS -

“Your book is an absolute triumph! I now understand why the term ‘Lawful Rebellion’ grates with you. I genuinely believe that your book should be compulsory reading for every one of our elected representatives... not to mention our own supporters! So well done! Excellent book and a great source of reference.”

JUSTIN WALKER, Coordinator, British Constitution Group. Amazon reviewer.

“I bought a copy of your excellent book from Amazon and I am impressed by both size and content. Frankly I haven't been able to put it down. Every home should have one and not just every law school but every secondary school should have one in its curriculum. I particularly enjoyed the 'Traitors to the People' chapter. The whole book is a fascinating read, well done.”

JOHN S., Swindon. (E-mail to DD.)

“I am SO pleased that I've read this compelling book and that I now understand the true meaning of “Democracy.” Although it's certainly not a novel, I found it as gripping as one. I had trouble putting it down. DEMOCRACY DEFINED: The Manifesto has opened my awareness dramatically.”

CAL BUCK, West Bromwich, Amazon reviewer.

“The Handbook for every person on the planet explaining True Law and Democracy.”

KENNETH JOHNS, Amazon reviewer.

“Excellent and well-written book on how the people in the so-called free world are not free. This is the missing education they should be teaching our children in school so they become enlightened on what's really going on in this world.”

ROBERT JOHN MONTAGUE, Amazon reviewer.

“This is a MUST READ (probably the ONLY read you'll need!) on democracy, Magna Carta, and Common Law. As I've made my way through it I discovered how much I didn't know — and that drove me on. It is thorough and deep, but worth reading all 300 large pages slowly, word by word. Just reading it is changing me — and giving me increased courage to speak out when necessary. One of the books I had no hesitation in giving a 5-star rating. It was worth every penny of the (gulp!) £18.00. Yep. Every penny.”

ANDREW SERCOMBE, Amazon reviewer.

“A MUST READ. Enough is enough of all this treasonous outlawry. I cannot express enough the importance of everyone reading this book, this is the 2nd copy I'm purchasing. Thank you Mr. d'Oudney for collating meticulously all these historical evidential facts in one book.”

DANTES DINIZ, Amazon reviewer.
