**THE WESTMINSTER PARLIAMENT:
OPHIDIAN NEST OF TREASON AND TYRANNY.**

Erskine May, Lord Farnborough, 1815-1886, has much to answer for!

Today, we received a paper, apocryphal from beginning to end, which purports to be about our “constitution.” Amongst many unsupported assertions and private fictitious assumptions, that text also quotes from Erskine May’s writings.

May began his lifelong service to parliament as a librarian at the age of sixteen. Called to the bar in 1838, he became parliamentary Examiner for Private Bills in 1846. In 1844, May’s book, ‘A Treatise upon the Law, Privileges, Proceedings and Usage of Parliament’ (nowadays referred to as “Erskine May”) was published. Over the course of his career, May was knighted, sworn to the Privy Council, appointed Clerk of the House of Commons, ennobled after retiring in 1886, and passed away the following week.

It is important to know *before* reading the paper below that *May’s work has been thoroughly rejected by subsequent authorities*, including Sir Herbert Butterfield, Regius Professor of History and Vice-Chancellor of Cambridge University. Butterfield’s rejection was sarcastic and scathing; he wrote...

“Erskine May must be a good example of the way in which an historian may fall into error through an excess of brilliance. His capacity for synthesis, and his ability to dovetail the various parts of the evidence carried him into a more profound and complicated elaboration of error than some of his more pedestrian predecessors ... He inserted a doctrinal element into his history which, granted his original aberrations, was calculated to project the lines of his error, carrying his work still further from centrality or truth.”

Anyone who reads the text below should first know the following facts about our one and only permanent written Constitution, the world-respected 1215 Great Charter of English (*cf.* British) Liberties Magna Carta (model to the Australian, U.S., Canadian and other Constitutions), as follows:

See next page.

**THE CONSTITUTIONAL SUPREMACY AND PERMANENCE
OF THE 1215 GREAT CHARTER MAGNA CARTA
ARE ACKNOWLEDGED BY THE 1689 BILL OF RIGHTS.**

Magna Carta Supersedes Statute (i.e., Parliamentary) Law.

It is a primary fact of the 1689 Bill of Rights that it explicitly concedes constitutional *supremacy and permanence* to the 1215 Great Charter. This acknowledgement comprises a self-extinguishing annulment of the Bill of Rights which emphasises to all who subscribe to this statute, that the Great Charter has authority in law over the 1689 Bill. If there be any disputation regarding conflict between provisions in the two documents, the Great Charter legally invalidates and makes null and void, all and any specious ‘validity’ heretofore claimed for this mutinous Bill of Rights statute.

(Unless they are driven by a malicious motive), *only those* who do not understand the profoundly beneficial implications and protective legal workings evinced by our Constitution’s Articles of Common Law defining and prescribing the Constitutional Common Law Trial by Jury Justice System for all causes, lawsuits civil, criminal and fiscal, could be seduced into support for the 1689 Bill. As described in the linked essay “The Tragedy and Treason of the 1689 Bill of Rights,” the Bill itself breaches and usurps the Great Charter’s subtle protections of the Liberties (rights) of the People. However, note that the Bill of Rights expressly concedes constitutional and legal supremacy and permanence to the 1215 Great Charter, the Supreme Law of the Land. **Clause Three** in the 1689 Bill of Rights upholds and acknowledges the validity and supremacy of the 1215 Great **Charter** as constitutional, and the previous “Law of the Land” Charters and Coronation Oaths sworn to by monarchs, as follows:

Bill of Rights: “**III. *Provided that no charter or grant or pardon granted before the three and twentieth day of October in the year of our Lord one thousand six hundred eighty-nine shall be any ways impeached or invalidated by this Act, but that the same shall be and remain of the same force and effect in law and no other than as if this Act had never been made.***”

Thus, the 1689 Bill of Rights explicitly concedes and guarantees the 1215 Great Charter Constitution’s supremacy, force and effect over all statute and litigation, **rendering the Constitutional Trial by Jury Justice System as the sole legitimate due process of all law.**

This self-subordinating Clause III within the Bill annuls the Bill itself—with all the seditious, anti-constitutional, self-interested terms of the Bill’s insurgent instigators. Whomsoever claims “sovereignty” for parliament, “*parliamentary* sovereignty,” commits judicable Treason.

Read the revelations in the essay, “The Tragedy and Treason of the 1689 Bill of Rights.”

By Restoration of the Constitutional Rule of Law, the **Common Law Economy** is brought into being (link below), this involving Proscription of compulsory Personal Taxation; national treasury issuance into the economy of interest-free credit and currency (i.e., sovereign national credit aka ‘state money’); prohibition and penalisation of private banks’ Fractional Reserve Lending (fraud); retroactive re-criminalisation and Prohibition of Usury (borrowing and lending-*at-interest*); the bogus ‘National Debt’ is thus dissolved.

DEMOCRACY DEFINED:

The Manifesto

Kenn d'Oudney focuses on Democracy. The word 'democracy' is widely abused and 'defined' incorrectly. This extensively researched book explains how components of constitutional democracy have been suppressed by malefic statist interventions to produce the modern decline and the Illegality of the Status Quo.

The Manifesto shows how the ideal society is to be achieved.

- HERE ARE SOME REVIEWS OF THE ESSAYS UPON WHICH THIS BOOK IS BASED -

"I think it is certainly true that Keynesian economics, as put into practice, has handed the economic power of the West to a few men who now almost totally control it. Likewise, I agree that the trial by jury is an essential bulwark of democracy and justice against a bankers' tyranny. I congratulate you on disseminating the above points."

His Hon. Patrick S.J. Carmack, Esq. Producer of The Money Masters video documentary.

"Thank you for your excellent work on Magna Carta. What a masterly exposition."

Major John Gouriet, Chairman, Defenders of the Realm; Battle for Britain Campaign supported by H.G. the Duke of Wellington; Edward Fox, OBE, and Frederick Forsyth, CBE.

"What a magnificent article! I intend to incorporate parts of it into speeches and writings."

DEMOCRACY DEFINED: The Manifesto ISBN 978-1902848280

A Treatise for the Democracy Defined Restoration Campaign by Kenn d'Oudney. Augmented third edition with Addendum, extensive Bibliography and Index. Softback, 310 large-size (A4) pages.

The word 'democracy' is widely abused and 'defined' incorrectly. This extensively researched book explains how components of Constitutional Democracy have been suppressed by malefic statist interventions to produce the modern decline and the Illegality of the Status Quo. It sheds light on how democracy involves a variety of far-reaching issues, including political assassinations; the Ætiology of Anti-Semitism; fraudulent fractional reserve lending banking practices; and the national issuance of

interest-free currency and credit.

The historical, legal and constitutional facts and quotations in this book establish the perennially subject and liable status of executive, legislature and judiciary to universal, timeless secular moral and legal tenets of Equity, and to cost-free private prosecutions at Constitutional Common Law Trial by Jury (Article Sixty-One). Exposes the fallacies of "constitutional" statutes, groups and individuals. Indispensable reading for anyone who wishes to uphold the West's endangered, cherished heritage of Liberty and Equal Justice.

DEMOCRACY DEFINED: *The Manifesto* reveals the theoretical and practical framework upon which the ideal human society is to be achieved: the best of all possible worlds.

“Your book is an absolute triumph! I now understand why the term ‘Lawful Rebellion’ grates with you. I genuinely believe that your book should be compulsory reading for every one of our elected representatives... not to mention our own supporters! So well done! Excellent book and a great source of reference.”

JUSTIN WALKER, Campaign Coordinator, British Constitution Group. Amazon reviewer.

“I bought a copy of your excellent book from Amazon and I am impressed by both size and content. Frankly I haven't been able to put it down. Every home should have one and not just every law school but every secondary school should have one in its curriculum. I particularly enjoyed the 'Traitors to the People' chapter. The whole book is a fascinating read, well done.”

JOHN S., Swindon. (E-mail to DD.)

“I am SO pleased that I've read this compelling book and that I now understand the true meaning of “Democracy.” Although it's certainly not a novel, I found it as gripping as one. I had trouble putting it down. DEMOCRACY DEFINED: The Manifesto has opened my awareness dramatically.”

CAL BUCK, West Bromwich, Amazon reviewer.

“The Handbook for every person on the planet explaining True Law and Democracy.”

KENNETH JOHNS, Amazon reviewer.

“Excellent and well-written book on how the people in the so-called free world are not free. This is the missing education they should be teaching our children in school so they become enlightened on what's really going on in this world.”

ROBERT JOHN MONTAGUE, Amazon reviewer.

“This is a MUST READ (probably the ONLY read you'll need!) on democracy, Magna Carta, and Common Law. As I've made my way through it I discovered how much I didn't know — and that drove me on. It is thorough and deep, but worth reading all 300 large pages slowly, word by word. Just reading it is changing me — and giving me increased courage to speak out when necessary. One of the books I had no hesitation in giving a 5-star rating. It was worth every penny of the (gulp!) £18.00. Yep. Every penny.”

ANDREW SERCOMBE, Amazon reviewer.

“A MUST READ. Enough is enough of all this treasonous outlawry. I cannot express enough the importance of everyone reading this book, this is the 2nd copy I'm purchasing. Thank you Mr. d'Oudney for collating meticulously all these historical evidential facts in one book.”

DANTES DINIZ, Amazon reviewer.
