THE RESTORATION AMENDMENT (statute):

THE POLITICAL PROGRAM FOR PATRIOTS AND DEMOCRATIC CANDIDATES

Broadsheet #2 (Intro to the Justice System)

To: EDUCATORS AND PRO-CANNABIS RIGHTS CAMPAIGNERS!

QUESTION: *“Of what relevance to pro-Cannabis campaigners and websites is the Democracy Defined Campaign for Restoration of the Constitutional Rule of Law?”*

ANSWER: *“Installation of THE RESTORATION AMENDMENT (statute) enables complete Relegalisation of Cannabis Cultivation, Trade, Possession and Uses.”*

The Democracy Defined Campaign is supported by people of the highest professional quality: an Economics Nobel Laureate, former official government advisers, academics, attorneys, doctors (of jurisprudence, medicine, psychiatry, homeopathy and philosophy) and judges (U.S. & U.K.) lay their professional reputation and life's work on the line to give written endorsement support to Kenn d'Oudney and Joanna d'Oudney's work.

THE CANNABIS BIOMASS ENERGY EQUATION is unprecedented. With diagrams and straightforward explanation, the CBEE proves the clean-combusting production-cost-free, i.e., FREE, cannabis *by-product* pyrolytic CH₃OH is the immediate non-polluting, renewable, total world replacement for fossils and uranium, whilst macro-cultivation simultaneously *significantly increases* world production of staple seed food (protein-rich; no relaxant in seed). The CBEE exposes the bankowner-corporate-government *monumental ulterior motive* behind fraudulent 'prohibition'; a venal, cartel-fabricated subterfuge; a false fuel-energy MONOPOLY.

Whether or not you believe in global warming, there is NO net increase in atmospheric CO₂ from using cannabis for fuel. Regarding carbon dioxide released by combustion of cannabis methanol / cannabis fuel-oil / jet fuel, a *greater* quantity of carbon is *re-absorbed* from the atmosphere by growth of the next cannabis crops in cultivation for: *non-combusted* staple food; medication; relaxant; clothing/textiles; paper and newsprint; building-materials (Isochanvre ©); timber-substitutes; plastics-resource, etc. See **Chemical Equation** for complete (i.e., *clean*) combustion of cannabis-methanol: $2\text{CH}_3\text{OH} + 3\text{O}_2 \rightarrow 2\text{CO}_2 + 4\text{H}_2\text{O}$.

Three molecules of oxygen (3 O₂) are required for every two molecules of methanol (2 CH₃OH) in order that combustion of the latter will be *complete*. Any higher proportion of O₂ will be an excess; combustion will also be complete, and some unused O₂ will remain¹.

¹ Confirmation of the cannabis-methanol chemical equation provided by Professor Norman Logan, Ph.D., Adviser to NASA on the Chemistry of Propellants at the time of the Apollo Moon Program, Professor of Chemistry at Nottingham University.

Implementation of the Cannabis Biomass Energy Equation initiates an all-encompassing, immediate stabilising influence on the 'greenhouse effect' of Global Warming:

1.) by reducing to zero, the world fuel-combustion component of overall carbon dioxide atmospheric increase, and 2.) by subtracting from atmospheric CO₂ whenever cannabis is utilised as resource to non-combusted products (see list in previous paragraph).

EXONERATIVE FINDINGS OF FACT: With source attribution to official research documents provided, the medico-scientific Conclusions of government-funded clinical studies conducted by world-respected research and academic institutions into non-toxic, non-addictive natural herb cannabis (differentiated from pharmaceutical *laboratory* toxic product THC) **exonerate** cannabis from all allegations of ‘harm’ and ‘impairment’ (including tests on simulated driving) *exempting cannabis from all legislative criteria of control* (‘prohibition’).

Irrefutable official expert documentary evidence: i.e., legal, academic, scientific, technical, medical, economic, social, philosophical, criminological evidence, and that which is based on grounds of Equity, **vindicates** all private cultivation, trade, possession and uses. Evidence exposes massive ulterior motive, perjury and venality behind faux ‘legislation’ of control (‘prohibition’), *acts of enforcement constituting crime per se*. All citizens persecuted thereunder are due (overdue) **Amnesty and Restitution** (as for other **Wrongful Penalisation**).

MEDICATION: *Efficacious in over 100 adverse medical conditions* (viz. Official Pharmacopoeias) including applications which are *life-saving, preserve eyesight*, are Curative and/or Preventive with potential **cheaply to replace** numerous lines of lucrative but ineffective, debilitating, addictive, toxic pharmaceuticals, a colossal financial government-corporate *ulterior revenue and profit motive* (trillions) is established behind apocryphal prohibition by perjurious derogation. *Another* money-motivated illegal subterfuge is embodied in prohibition ‘legislation’. + Medical Case Histories.

RESTORATION: JUSTICE AND THE CONSTITUTION sets out the Constitution’s Rule of Law. It exposes ineptitude and injustice in the current statist’s unethical, illegal ‘justice process’. The Constitution creates an *equitable* rule of law with a level ‘playing field’ by making all men and women (including the head of state, government functionaries, judges, personnel and employees) *equal* and *subject* to the same rule of law as everyone else. No one is ‘above’ the rule of law. The Great Charter explicitly removes ‘immunity from prosecution’ from those who form or work for our administrative government, rendering them equally liable to be arraigned *cost-free* by single or multiple private plaintiffs at Trial by Jury, for Crime*; viz. Articles Thirty-Six, Forty and Sixty-One. **Definition. Crime is defined as any act of injustice committed with malice aforethought; mens rea* (pronounced ray-uh). Any ‘act’ means not only legislation but also physical acts.

This Campaign focuses on **The Restoration Amendment Program** (ref. website) to restore the rule of law, empowering the People to govern and guide our administrations (‘governments’) through the **supreme sovereign authority of the People to decide their laws and liberties for themselves through Constitutional Trial and Annulment by Jury**, the sole legitimate justice system for deciding all causes (lawsuits), civil, criminal and fiscal, comprising the supreme legislature and judiciary of the realm.

PROHIBITION: THE PROGENITOR OF CRIME. Relegalised, cannabis grows anywhere: the benign herb’s foliage and flowers come *free* or at an insignificant price, but yielding no revenues to government and no profits to corporations. However, prohibition *creates* the Black Market: the *Economic Effects of Prohibition* (scarcity + enforcement, etc.) augment “street” value by 3000% plus, making all Black Market associated crime *inevitable*.

“To cause crime to occur is to be accountable for the crime, morally and legally. To consent to any measure is to share responsibility for its results.”

The political commodities’ prohibition, the War on Drugs, rather that is to say, *the politicians who pass and the judiciaries who maintain the legislation engender (cause) and are culpable for a significant proportion of all crimes (official statistics) throughout the West.*

DERELICTION OF DUTY: Continuing Failure to relegalise cannabis and to implement the Cannabis Biomass Energy Equation implicates judiciary and politicians in criminal conspiracy (racket; U.S.).
