**CHURCHILL'S VIEW:**

*“The power of the Executive to cast a man into prison without formulating any charge known to the law, and particularly **to deny him the judgement of his peers**<sup>1</sup>, is in the highest degree odious and **is the foundation of all totalitarian government**, whether Nazi or Communist.”*

Sir Winston Churchill, Author, Chronicler, Historian, Philosopher, Nobel laureate for Literature; Prime Minister of the United Kingdom of Great Britain and Northern Ireland. Excerpt of telegram from Cairo to the U.K. Home Secretary on November the 21st, 1943. See Second World War Volumes by Churchill.

1 Judicium Parium (the Judgement of Social-Equals, pares, peers, referred to above by Churchill) as cited within Common Law Article Thirty-Nine of the 1215 Great Charter of English Liberties Magna Carta Constitution, is also known as the Constitutional Common Law TRIAL BY JURY JUSTICE SYSTEM. (My emphases added to above quotation. K.D.)

Democracy is definitively the society in which the people have control over the Justice System wherein claimed ‘immunity from prosecution’ for crimes at Common Law by persons in the Administration (‘government’) is recognised as spurious and judicable; ref. Common Law Article Sixty-One, Magna Carta 1215.

All legitimate social objectives and aspirations are facilitated when the People's Constitutional Sovereign Authority is restored through STATUTORY RESTORATION of the Constitutional Common Law Trial by Jury Justice System.

## **THE RULE OF LAW IS RESTORED BY THE RESTORATION AMENDMENT**

To summarise the Rule of Law Campaign, the principal foci are:

*Firstly*, recognition of the 1215 Great Charter Magna Carta as comprising the single and sole legal and lawful English (and British) Constitution; the permanent supreme treaty between the people and the successive incumbent heads of state. This measure achieves Restoration of the People's Courts of the authentic Constitutional Common Law Trial by Jury Justice System as prescribed and defined by the 1215 Great Charter Constitution for all causes, civil, criminal and fiscal; and,

*Secondly*, Common Law economic measures are a natural corollary to the above item for specifically proscribing the Common Law Crimes of Usury and fraudulent Fractional Reserve Lending and returning to the People (through a national government department; treasury) the duty of issuance of *interest-free* currency and credit to the economy (as, for example, by Presidents Jefferson, Madison and Jackson, or Lincoln's 'greenbacks', Franklin's Colonial Scrip, and in 1914, the UK's £300 million issuance of the 'Bradbury Pound').

These twin causes are legislatively formulated as The Restoration Amendment. With its passing by representatives, the Constitutional Rule of Law prevails and legality is returned to the status quo. The Amendment is to be passed on its own or as an attachment to other legislation going through the House.

The Rule of Law explicitly re-establishes that no one in government is 'above' *legem terræ*, the Law of the Land *Articles*; no one is 'immune' to cost-free private prosecution (single or multiple plaintiffs) at Trial by Jury, including for the framing, passing or enforcing of legislation adjudged by jury to be inherently malicious, one-sided, partisan, and deserving Annulment by Jury.

Unpatriotic politicians, all of them, must be identified for what they are. People need to see the advantages and benefits which will accrue to the people and nation by isolating and leaving those parties who do not stand for our cherished heritage of the 1215 Great Charter of English Liberties (applicable presently to all the U.K. nations); of Trial by Jury Courts for all causes (not the *ex parte* trial-by-judge); of the Common Law Principle of Equal Justice, laws applying equally to all (Articles 24, 39, 40, 61, etc.).

The Restoration Amendment may be personally adopted by all men and women of whatever political persuasion. However, it is predictable that *the parties* in the current system will be *against* restoration of the Rule of Law, proving them not only to be unpatriotic and anti-democratic (against We the People) but also essentially felonious. Remember, such traitors are in breach of the Rule of Law, deserving of no respect and are due indictment for the High Crime of Treason. So, at present, we seek politically independent men and women to adopt the Rule of Law Campaign, and those who would be keen to run for parliament at coming elections.

Constitutional Trial by Jury restores interest-free national issuance of credit and currency *eliminating income tax* (used now for paying interest to bank-owners). This offers Remainers a spectacular reason to become Brexiteers—and stop campaigning for a second referendum... Brexit proved what we are capable of, *united*. We must remain united to succeed. The Rule of Law Campaign offers widespread affluence which no present party-politician can deliver. We must take it upon ourselves to bring our superior culture to prominence once more; for the People to take back their natural sovereignty, common law courts, and resecure unto themselves legal Constitutional control of the Wealth of the Nation; their rightful due inheritance.

**The Rule of Law** is established through Legem Terræ, i.e., the Law of the Land *Articles of Common Law* inscribed into the 1215 Great Charter Constitution Magna Carta, including those in particular which define and prescribe the Trial by Jury Justice System. The Constitutional Common Law Trial by Jury jurisdiction is supreme for all causes (lawsuits), civil, criminal and fiscal, being the only legal judicature permitted in the Kingdom. The Common Law Constitution *regulates* society through Juries' judgements (verdicts and sentences) in Trial by Jury.

**Rule of Law** renders ALL equal and liable to criminal prosecution under the Law without fear or favour (Article Sixty-One); and that the achievement of justice and fairness must always be of supreme importance

As noted, under **the Rule of Law** all legitimate supplementary social objectives are achievable when the People's Sovereign Authority is restored through Restoration of the Constitutional Common Law Trial by Jury Justice System.

## WHAT THE RULE OF LAW STANDS FOR:

- The Trial by Jury Jurisdiction applies to ALL aspects of the English/British judicial system.
- 'Judges' (de facto, Convenors of trials) return to instructing jurors of their duty "to do justice"; for jurors to judge and satisfy themselves first and foremost whether the law being enforced is just; and to annul the prosecution of every unjust law by applying the Common Law Juror's function and duty of Annulment by Jury; *id est*, promptly acquitting the accused as Not Guilty. Judges (Convenors) are obliged to make Jurors fully aware before trials of their Powers, Procedure, Rights and Duty to utilise the Annulment by Jury legal mechanism to annul enforcement of any prosecutions of unjust Statutes, Acts or Regulations passed by Parliament or local government.
- N.B. Annulment is but one of the TWO WAYS TO EQUAL JUSTICE, the other being the Expunction of a Statute mandated by the Verdict and Sentence of a Jury in the Constitutional Common Law Trial by Jury following private cost-free prosecution (single or multiple plaintiffs) at Trial by Jury of any government protagonist of the statute (legislation) in question; e.g., the Prime Minister or Minister of State at the Home or Foreign Office, etc., viz. explication in full in Chapter Four of DEMOCRACY DEFINED: *The Manifesto* ISBN 978-1902848280 (book).
- All due process is by Trial by Jury, adapting Magistrates Courts to Trial by Jury Courts.
- An end to tyrannical 'Family Courts' where justices / judges (not the Jury) arbitrate and sentence, denying participants and defendants the Constitutional Trial by Jury and with it the Jurors' Duty to decide issues and sentences in all causes (lawsuits), civil, criminal and fiscal.
- Ultimate protection of people from arbitrary government by recognition of the Crime of Tyranny, defined generally and at Common Law as oppressive rule administered with injustice; the cruel and arbitrary use of authority. Tyranny is a judicable crime at common law; cf. International Law Crime against Humanity; the 1946 Nuremberg Precedent; the Kellogg-Briand Treaty for the Renunciation of War as an Instrument of National Policy, aka the currently binding 'Pact of Paris', realising International Law Crime against Peace.
- RESTORATION of the English (cf. British) Common Law Constitution re-replaces legal Prohibition of all forms of Usury and Fraud; viz. Magna Carta 1215 Common Law Articles Ten and Eleven.
- Nationally-issued interest-free cash money and credit are secured on the Kingdom's wealth, productivity and potential, providing liquidity for an independent, sovereign, secure, prosperous and happy nation; viz. Democracy Defined Discussion Document (2).

## RULE OF LAW RESTORED BY THE RESTORATION AMENDMENT

- The immediate restoration of debt-free, interest-free currency and credit issued by HM Treasury's New National Bank benefits *bone fide* British Citizens. The Treasury maintains a network of local and regional (public) banking facilities; viz. *ibidem*, Discussion Document (2).
- N.B. The preceding measure above precludes and prohibits government from levying PERSONAL INCOME TAX to make 'capital' and/or 'interest payments' to pay to felonious Individual Money-Lenders *at interest*, and likewise the Owners of private financial institutions and banks, nominally for the fraudulently figmental capital 'lent' or 'created' *ex nihilo* ("out of thin air"), and Fractional Reserve Lending.

### **RULE OF LAW RESTORED BY THE RESTORATION AMENDMENT (statute) THE RESTORATION AMENDMENT ACCOMPLISHES:**

- An immediate end to the criminal, unconstitutional process of Globalisation by the secretive, unelected and currently unaccountable international banking and financial 'élite'.
- Utilising the Supreme Constitutional Common Law Trial by Jury Justice System, an immediate annulment of all statutory ties and legal obligations to the European Union (soviet system), i.e., full, final withdrawal from the EU; Repeal of the European Communities Act of 1972. (This latter was 'enacted' by provable fraud and deception.)
- That the Middle Temple, the Law Society and the British legal system as a whole be made more accountable, transparent, and completely free from the criminal influences of the City of London and its usurious (illegal, unconstitutional) private banking and financial system.
- That disseizin (unlawful dispossession) of homes, properties, monies and forfeitures carried out by unconstitutional Courts (judges) on behalf of the usurious private banking and financial sector be returned forthwith to their rightful owners.
- An immediate end to the City of London's special privileges, including the position of City Remembrancer in the House of Commons.
- The Bank of England ends, with immediate effect, its relationship with the Swiss-located Bank for International Settlements and its usurious, fraudulent central banking system.
- That the Bank of England be fully absorbed into HM National Treasury, embodying the Common Law Economy creating the New National Bank. See downloadable Democracy Defined Discussion Document (2) on Campaign Circulars List on DD Pamphlets page.
- Immediate facilitation of cash and credit issuance *interest-free* through the aforementioned New National Bank's nationalised High Street outlets for people's mortgages, business and personal loans, advances, etc., viz. *ibidem*, Discussion Document (2).
- An immediate end to Student Fees and Student Debt (i.e., free tertiary education)
- The shutting down of the Common Purpose leadership training 'charity'.
- Police Constabularies act at all times in accordance with the 1215 English Constitution. All serving Constables are trained and educated to be fully conversant with the loyalties and duties expected of them, and the overriding legal precedence of the *Articles of Common Law* within the 1215 Great Charter of English Liberties Magna Carta instituting the Constitutional Trial by Jury.

### *The Manifesto*

*The Manifesto* shows how the ideal society is to be achieved.

**DEMOCRACY DEFINED: The Manifesto** ISBN 978-1902848280

A Treatise for the Democracy Defined Restoration Campaign by Kenn d'Oudney. A Book of THE RESTORATION QUADRILOGY. Augmented third edition with Addendum, extensive Bibliography and Index. Softback, 310 large-size (A4) pages.

The word 'democracy' is widely abused and 'defined' incorrectly. This extensively researched book explains how components of Constitutional Democracy have been suppressed by malefic statist interventions to produce the modern decline and the Illegality of the Status Quo. It sheds light on how democracy involves a variety of far-reaching issues, including political assassinations; the Ætiology of Anti-Semitism; fraudulent fractional reserve lending banking practices; and the national issuance of interest-free currency and credit.

The historical, legal and constitutional facts and quotations in this book establish the perennially *subject* and *liable* status of executive, legislature and judiciary to universal, timeless secular moral and legal tenets of Equity, and to cost-free private prosecutions at Constitutional Common Law Trial by Jury (Article Sixty-One). Exposes the fallacies of "constitutional" statutes, groups and individuals. Indispensable reading for anyone who wishes to uphold the West's endangered, cherished heritage of Liberty and Equal Justice.

DEMOCRACY DEFINED: *The Manifesto* reveals the theoretical and practical framework upon which the ideal human society is to be achieved: the best of all possible worlds.

*“Your book is an absolute triumph! I now understand why the term ‘Lawful Rebellion’ grates with you. I genuinely believe that your book should be compulsory reading for every one of our elected representatives... not to mention our own supporters! So well done! Excellent book and a great source of reference.”*

JUSTIN WALKER, Campaign Coordinator, British Constitution Group. Amazon reviewer.

*“I bought a copy of your excellent book from Amazon and I am impressed by both size and content. Frankly I haven't been able to put it down. Every home should have one and not just every law school but every secondary school should have one in its curriculum. I particularly enjoyed the 'Traitors to the People' chapter. The whole book is a fascinating read, well done.”*

*“I am SO pleased that I've read this compelling book and that I now understand the true meaning of “Democracy.” Although it's certainly not a novel, I found it as gripping as one. I had trouble putting it down. DEMOCRACY DEFINED: The Manifesto has opened my awareness dramatically.”*

*“The Handbook for every person on the planet explaining True Law and Democracy.”*

*“Excellent and well-written book on how the people in the so-called free world are not free. This is the missing education they should be teaching our children in school so they become enlightened on what's really going on in this world.”*

ROBERT JOHN MONTAGUE, Amazon reviewer.

*“This is a MUST READ (probably the ONLY read you'll need!) on democracy, Magna Carta, and Common Law. As I've made my way through it I discovered how much I didn't know — and that drove me on. It is thorough and deep, but worth reading all 300 large pages slowly, word by word. Just reading it is changing me — and giving me increased courage to speak out when necessary. One of the books I had no hesitation in giving a 5-star rating. It was worth every penny of the (gulp!) £18.00. Yep. Every penny.”*

ANDREW SERCOMBE, Amazon reviewer.

*“A MUST READ. Enough is enough of all this treasonous outlawry. I cannot express enough the importance of everyone reading this book, this is the 2nd copy I'm purchasing. Thank you Mr. d'Oudney for collating meticulously all these historical evidential facts in one book.”*
